

# **HARBOR HILL FARMS**

**1st Production Sale**

**Saturday, June 12, 1976**

**At The Farm  
Fresno, Ohio**

## **ABOUT HARBOR HILL**

Harbor Hill is owned and operated by Ed. E. Schrader and Dr. Daniel E. Rider. Harbor Hill has provided an opportunity for Mr. Schrader to put into practice and follow his professional training. Formerly associated with the Extension Service of Michigan State University and Ohio State University, Mr. Schrader is no stranger around cattle. He was reared with the Jester Jersey Cattle in Tennessee, the herd that was developed on the family farm and whose blood lines are still in demand in the Jersey Breed of cattle.

The operation at Harbor Hill has given Dr. Rider the opportunity to be associated with agrarian life, a crucial part of his academic interest in American studies. Dr. Rider is Professor of English and Director of the American Studies program at California State College in Pennsylvania.

Jack Darr, who joined the operation this spring, serves as General Farm Manager. Jack brings with him the management ability to move Harbor Hill even further.

Stephen Schrader, who also joined the operation this spring, is working with not only the Shorthorn cattle but also with the commerical hog operation on the farm.

If you know shorthorns, you ought to know Harbor Hill**

**LUNCH WILL BE AVAILABLE SALE DAY**

## GENERAL INFORMATION

**TIME:** 11:00 a.m., Saturday, June 12, 1976.

**LOCATION:** Harbor Hill Farms is located seven miles north-east of Coshocton, Ohio on Rt. 643. Take Rt. 83 north out of Coshocton five miles, turn ne. on Rt. 643 two miles to farm.

**TRANSPORTATION:** Commercial airline service is available to both Columbus and Cleveland, Ohio. Both are approximately 75 miles from the farm. With advance notice, your plane can be met and transportation to sale site arranged.

**HEADQUARTERS:** The L-K Motel at the north edge of Coshocton on Rts. 16 and 83 is designated as the sale headquarters. Please make your reservations in advance. Ph.: 614-622-9823.

**TERMS:** Terms of the sale are cash, payable to the clerk at the conclusion of the auction unless other arrangements have been made in advance.

**REGISTRATION:** A certificate of registry will be furnished for each lot sold.

**HEALTH:** Health certificates will be provided with each lot sold.

**ANNOUNCEMENTS:** Announcements from the auction box take precedence over all printed matter in the catalog.

**INSURANCE:** Full coverage may be secured at time of settlement.

**BREEDING GUARANTEE:** All cattle sell under the standard guarantee of the American Shorthorn Association, plus all females regardless of age will be guaranteed as breeders.

**TRUCKING:** All cattle will be delivered to central points in Ohio at a cost not to exceed \$25 per head, to central points in the United States at a cost not to exceed \$75 per head. Free delivery to anyone whose purchases total more than \$4000.

**LIABILITY:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the welfare of the cattle sold. Neither owners nor sale manager assumes any liability, legal or otherwise, for any accident which may occur, but every effort will be made to provide for the safety and comfort of those attending.

**MAIL BIDS:** Mailed or telephoned bids will be handled in a most confidential manner if you are unable to attend the sale personally. Contact a representative or the sale manager and they will be able to assist you sale day.

**SALE MANAGER:** Keith Moore, Box 61, Decatur, Ohio 45115, Tel. 513-373-2791.

**GET-TOGETHER:** Harbor Hill will be host to a beef barbecue at the farm, Friday evening, June 11, at 6:30 p.m. Everyone is most cordially invited to join us at this gathering.

## WELCOME

We at Harbor Hill approach this, our first production sale, with mixed emotions. First, we have had to include more of our good productive young females than we like. These young females have produced excellent calves for us and many of them have calves by Prince Paul, who we lost after one breeding season, at their side now. However, since the herd was established in 1972, our goal has been to produce productive and profitable females who can compete with any herd of beef cattle including the European exotics.

The purpose of the herd is to demonstrate the productivity of Shorthorn cattle under commercial conditions. Each bull was selected with a specific reason in mind. Our first herd sire, who we used three years, was O.T. LEADER (REF SIRE A). He was used to produce productive, feminine, clean cut females. Harbor Hill FASCINATION, (Included in the sale), was used with these yearlings to produce females with excellent milk production who are clean cut and larger framed cattle. Aberfeldy PRINCE PAUL was used on the offspring of these bulls to augment muscling, smoothness and fast finishing ability. Our present herd sires, which the females are bred back to, will add even more size, scale and rapid growth to the Shorthorn cattle.

Harbor Hill is a working farm where the cattle have to carry their share of the expense and return a profit. The future at Harbor Hill has never looked brighter with my son, Stephen Schrader, and his family joining in the operation, and with the acquisition of our present herd sires, Oak HILL CLARK and PROMISE CHESS, we plan on continuing production of Shorthorn cattle who will be a credit to the oldest, most honored breed of cattle known to man.

It is a real pleasure for us to share this occasion with you. We hope your visit to Harbor Hill will be a most pleasant experience and that you will return soon.

Ed E. Schrader  
HARBOR HILL FARM

## **FROM THE SALE MANAGER**

**DEAR SHORTHORN BREEDERS, ENTHUSIASTS, AND FRIENDS:**

It is with pleasure that I welcome you to this, the first production sale of Harbor Hill Farms, on Saturday, June 12.

When anyone has the opportunity to work with a herd of cattle that has owners with the honesty and integrity of Mr. Ed. E. Schrader of Harbor Hill, one has to be fortunate and happy to be able to help in the management of their sale.

One of the goals when this herd was started was to hold production sales of profitable Shorthorn cattle. One of these goals is about to be reached June 12. Most of the females born on the farm the past three years are selling. I think you can tell by studying the catalog that these are regular producing females and with their young age have a whole lifetime ahead of them.

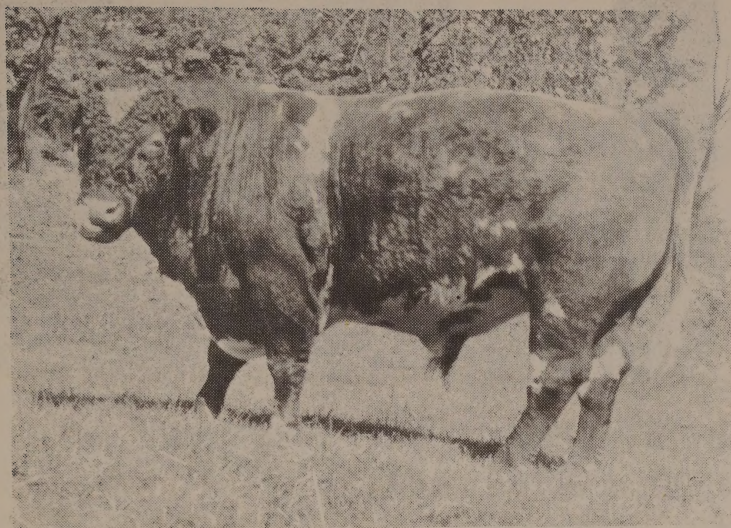

The cattle at Harbor Hill are handled in a practical manner and therefore will adapt to their new owners immediately. The sires used at Harbor Hill have all been purchased with a definite goal in mind.

I urge anyone interested in profitable, regular producing beef cattle to make plans to be on the seats June 12.

If I can help with your plans in anyway, please feel free to let me know.

Sincerely,  
Keith Moore

Aberfeldy Clipper Anne

Glastullich Playboy  
Burnton Augusta April

**REF SIRE B ABERFELDY'S PRINCE PAUL** - Prince Paul was our selection of the fall calf crop 1972. Out of a Flora cow and the famed Butte Lee Leader 75th, Prince Paul was selected because of his smoothness and muscling. Even though we were only able to use him on the cow herd for one breeding season, we will be retaining several of his daughters in our cow herd. We are including 7 cows with Prince Paul calves at side plus 3 yearling females and 2 yearling sons, when he had limited use as a yearling.

## Ref. Sire C      Aberfeldy Roger      3543-050 -440025- Bull

Aberfeldy Royal Robin  
Aberfeldy Roan Lady 7th

**REF SIRE C ABERFELDY ROGER** - Seven first calf heifers are included in the sale with calves by Roger at side. This bull represented the breeding of two of the most distinguished Shorthorn herds in North America. Sired by Scotsdale's Camross, the 2200 pound bull bred by S. G. Bennett in Milton, Ontario. Out of the Aberfeldy Roan Lady cow family, the progeny from this bull should develop into some very outstanding cattle.

## Ref. Sire D Oak Hill Clark 73rd x3544-154-M Bull

**REF SIRE D OAK HILL CLARK 73rd** - When Bob Lee Farm, Inc., dispersed his herd, they wrote that Oak Hill Clark would write new Short-horn history. From the calves he has produced at Harbor Hill it looks as if the prediction will certainly hold true. This young sire was selected by Lee Johnson to be the top selling bull at the Ohio National Sale for \$2500 at 9 months of age. In 1975 he was shown at a limited number of shows. He was named senior and reserve grand champion at the strong Ohio State Show at Hilliard and was named grand champion at numerous county fairs. Eight cows are included in the sale that have calves by Clark at their side. All the cows who have calved have been pasture exposed to Clark since calving. We believe that these calves will be a credit to their sire and to Harbor Hill.

## Ref. Sire E Promise Chess 70 2nd x3449-970 Bull

**REF SIRE E PROMISE CHESS-70 2nd** - This young sire was used very successfully by Dick Braman at Just-A-Few Shorthorns Farm in Ashley, Michigan. Only because Dick has retained so many of Chess daughters was he willing to include this bull in the 1975 Michigan Futurity Show and Sale. The cattle Chess left in Michigan were show winners and showed the growth, frameness and scale needed in the beef cattle industry today. We are including 4 bred cows for fall calving to this outstanding sire in the sale only because we wanted to share his services.

## **Lot 1 and Ref. Sire F Harbor Hill's Fascination x3519-119 Bull**

**LOT 1 and REF SIRE F HARBOR HILL'S FASCINATION - out of our Rosewood cow, was retained to use in the herd because of the outstanding milking and mothering ability of his dam. He has transmitted this ability to his own daughters. We have thought enough of this bull to use him for three years at Harbor Hill. We are keeping a group of 25 daughters of this bull to be mated with our Promise Chess. Fascination, a large modern, outstanding bull, will be a real credit to the Shorthorn breed. We have included him in the sale only because of the large number of females we have retained.**

## Lot 2      Hobalara Big Tank      3550-340 Bull

Red - Tattoo LE S01.

Calved April 24, 1973; bred by Dayton Specht, Sugarcreek, Ohio.

		Oakwood Meridian x Zane Trail Rosewood D 2d x

**SUNNY HILL DIXIE** - has been one of our favorite cows. She is nursing an April 28th heifer by Oak Hill Clark. This hard working young female is one that we hate to part with.

## Lot 14A

**HARBOR HILL'S KIMONO** - calved April 8, 1975. Tattoo 532; sire, Aberfeldy Prince Paul. Probably our best '75 heifer.

## Lot 15 Harbor Hill's Iris x3543-054 Cow

Red - Tattoo LE 31.

Calved March 19, 1973.

<b>SIRE:</b> O T Leader x Roan, O. M. Tewksbury	Leader Supreme x Red, Robert L. Blum	Security Leader x Lady Buttercup 2d x
	Roselawn's Admiration x Roan, O. M. Tewksbury	Creeklane Lancer x White Haven's Admiration x

	Redman's Rosewood 59th x Roan, Redman Farms	Timberlee's Consort 2d x Redman's Rosewood 51st x

**HARBOR HILL'S IRIS** - is a young cow that we would really like to keep. Since she is nursing an outstanding Clark heifer calf, we are including her in the sale. Iris produced an excellent growthy heifer calf last year, one that we are keeping as a show prospect. She is re-exposed to the same bull and we predict that the calf that she is nursing now will be a real show prospect for the '77 show season.

## Lot 16 Shady Lawn Choice 3533-660 Cow

Roan - Tattoo RE M10 Z6.

Calved March 1, 1973; bred by J. Ernest McConnell, Richmond, O.

<b>SIRE:</b>	Sutherland Cyprus x Roan, Geo. Garvin Brown	Oakwood Gambler x Wescoal Rita
K M Cyper Bounce x White, William Keith Moore	K M Missie Dye Roan, William Keith Moore	S M Dynamic Castle Hill Missie 2d

Zeigler's Lady Ester R&W, Hidden Valley Farms	Zeigler's Empress R&W, Hidden Valley Farms	KC Caesar Augustus Millie

**SHADY LAWN CHOICE** - This young cow was bred by Ernest McConnell and was our selection at the Sale of Stars in 1973. She has produced two outstanding calves for us and she has been bred since January to Oak Hill Clark. Her thickness and heavy muscling added to the size and frame of Clark could produce an outstanding calf.

## Lot 16A

**HARBOR HILL'S KATE** - calved January 17, 1975. Tattoo 501; sire, Harbor Hill Fascination. A big, growthy heifer carrying the service of King Kile, Lot 5.

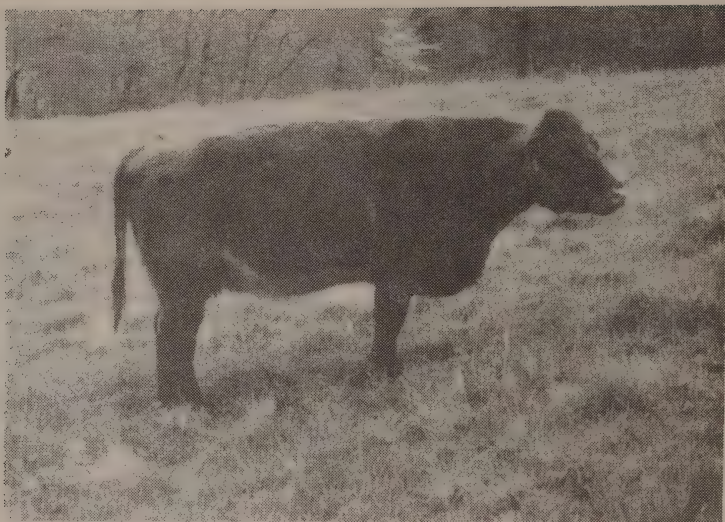

## Lot 17 Augusta Dawn x3564-781 Cow

Red - Tattoo LE C23.

Calved February 4, 1974; bred by Clifford Wellman & Family, Cambridge, Ohio.

<b>SIRE:</b>	Lakeside Star Prince x RWM, George McLachlan & Sons	Louada White Prince Glatwyn Sunbeam x
Achtoi Prince Dawn x Red, N. A. Brown	Achtoi's Dawn 3rd Red, N. A. Brown	Willow Lee Achtoi Oakhill Dawn 7th

**HARBOR HILL'S ISMENE** - Another excellent mating between O. T. Leader and Redman's Bessie. This heifer more nearly resembles our Bessie cow. Bill Redman, who bred the Bessie cow, said it is probably the best cow he ever produced. If you are looking for an outstanding female, we suggest you inspect this young cow.

## Lot 38 Harbor Hill's Heaven x3516-800 Cow

**O.M. BROADHOOKS** - is a little older than the other cows that are selling in this sale. But because she is such a good producer and we wanted to offer 10 bred cows, we reluctantly included her. Her 1975 bull calf, King Kile, is selling as Lot 5. He was shown as a junior calf last year and placed first in the four shows that he was in. Unfortunately, this cow lost her calf in a snow storm this year. She is carrying since March the services of Oak Hill Clark.

# **STANDARD GUARANTEE**

## **(OF THE AMERICAN SHORTHORN ASSOCIATION)**

A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.

F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H. All prospective buyers should check health requirements of their state. Health certificates will be provided with each lot sold.
